

# M Sound Ladder: Word, Phrase, Sentence

Eight words, each one climbing from a single word to a whole sentence.

Start at the word. When that feels easy, add the phrase. When the phrase feels easy, try the sentence. It is fine to stay on one rung for a week.

|-------------------------------------------------------------------------------------|--------------------------------------------------------|--------------------------|
|    | <div>WORD</div> moon                                   | <input type="checkbox"/> |
|                                                                                     | <div>PHRASE</div> the bright moon                      | <input type="checkbox"/> |
|                                                                                     | <div>SENTENCE</div> The moon glows at night.           | <input type="checkbox"/> |
|    | <div>WORD</div> mouse                                  | <input type="checkbox"/> |
|                                                                                     | <div>PHRASE</div> a tiny mouse                         | <input type="checkbox"/> |
|                                                                                     | <div>SENTENCE</div> The mouse nibbles the cheese.      | <input type="checkbox"/> |
|    | <div>WORD</div> map                                    | <input type="checkbox"/> |
|                                                                                     | <div>PHRASE</div> a treasure map                       | <input type="checkbox"/> |
|                                                                                     | <div>SENTENCE</div> The map shows the way.             | <input type="checkbox"/> |
|  | <div>WORD</div> mop                                    | <input type="checkbox"/> |
|                                                                                     | <div>PHRASE</div> a wet mop                            | <input type="checkbox"/> |
|                                                                                     | <div>SENTENCE</div> We mop the kitchen floor.          | <input type="checkbox"/> |
|  | <div>WORD</div> mud                                    | <input type="checkbox"/> |
|                                                                                     | <div>PHRASE</div> squishy mud                          | <input type="checkbox"/> |
|                                                                                     | <div>SENTENCE</div> The pig plays in the mud.          | <input type="checkbox"/> |
|  | <div>WORD</div> monkey                                 | <input type="checkbox"/> |
|                                                                                     | <div>PHRASE</div> a cheeky monkey                      | <input type="checkbox"/> |
|                                                                                     | <div>SENTENCE</div> The monkey swings on the vine.     | <input type="checkbox"/> |
|  | <div>WORD</div> mitten                                 | <input type="checkbox"/> |
|                                                                                     | <div>PHRASE</div> a warm mitten                        | <input type="checkbox"/> |
|                                                                                     | <div>SENTENCE</div> My mittens keep my hands warm.     | <input type="checkbox"/> |
|  | <div>WORD</div> muffin                                 | <input type="checkbox"/> |
|                                                                                     | <div>PHRASE</div> a blueberry muffin                   | <input type="checkbox"/> |
|                                                                                     | <div>SENTENCE</div> The muffin is full of blueberries. | <input type="checkbox"/> |
